

CTS SAFETY COMMITTEE AND POLICIES:

The CTS has formed its own safety committee to ensure the students will be provided safe environment during their stay at school. The safety committee consists of the school principal, custodian and a representative teacher from each class room. In order to involve every teacher in the safety process, every year new member (including chair and vice-chair) will replace the old member with the principal and custodian being permanent. The committee will be led by a Chairperson and a vice-chair person.

Responsibilities:

Chair-person: The chairperson will oversee the overall activities of the safety committee. He/She will call for committee meeting and collect the minutes of the meetings. Will communicate any safety related messages from the custodian/school board to the committee members and committee members will communicate to the students.

The safety committee: The committee can discuss the causes of the any unsafe incident happened and come up with solutions. The committee members should ensure that the students in their class are safely evacuated in the event of emergency.

The recommendations could be periodically inducted as needed.
